Dimensions

Speaker mounting example

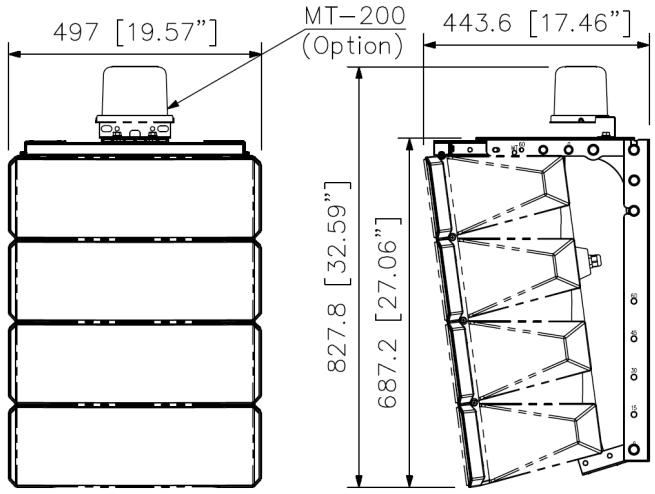

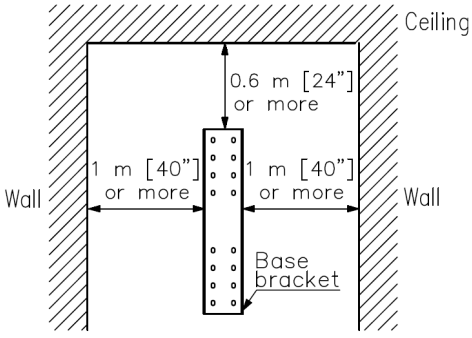

Note:
To set the speaker angle mode to "60° mode," 3 pieces of the optional HY-60DW-WP Speaker Angle Brackets are required.

Example for MT-200 mounting (0° mode)

To ensure ample work space during construction

※ Use at least 8 bolts (4 top, 4 bottom) to mount to the wall.
※ Make sure that two of the uppermost and lowermost mounting holes are fixed to the wall with bolts, etc.
※ Secure with a good balance of bolts in both left and right mounting holes.
